

TOWN OF COLONIE INDUSTRIAL DEVELOPMENT AGENCY

COLONIE FIRST

It is the policy of the Town of Colonie Industrial Development Agency to strongly encourage project applicants to support the Town of Colonie (the “Town”) first. This means that to the greatest extent possible project applicants should consider purchasing goods and services from Town-based providers, businesses and vendors. All project applicants must use their best efforts to document compliance with the aforementioned policy and provide documentation of efforts by December 31 of each year.
