WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "Enabling Act") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the "State") and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial, or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 232 of the Laws of 1977, as amended by Chapter 594 of the Laws of 1980 of the State, as amended (collectively, with the Enabling Act, the "Act") and is empowered under the Act to undertake the Project (as hereinafter defined) in order to so advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, the Company, on behalf of itself and/or entities formed or to be formed on behalf of the foregoing, presented an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the license to approximately 13.5 acres of land located at 660, 668 and 676 Albany-Shaker Road (tax map nos. 30.-5-5, 30.-5-7 and 30.-5-8) in the Town of Colonie, Albany County, New York (the "Land") and the approximately 230,000 square foot building located thereon for use as a hotel, banquet/catering and conference facility (commonly known as The

Desmond) by the Company (the "Facility"), and (2) the acquisition and installation therein and thereon of various building materials, furniture, fixtures, machinery and equipment (the "Equipment" and, collectively with the Land and the Facility, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from sales and use taxes (the "Financial Assistance"); and (C) the sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, pursuant to a resolution adopted by the members of the Agency on September 21, 2020 (the "Public Hearing Resolution"), the Agency: (A) caused notice of public hearing of the Agency (the "Public Hearing") pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the Financial Assistance being contemplated by the Agency with respect to the Project, to be mailed on October 2, 2020 to the chief executive officers of the county, the town and the school district in which the Project Facility is or is to be located (each an "Affected Tax Jurisdiction" and collectively the "Affected Tax Jurisdictions"), (B) caused notice of the Public Hearing to be published on October 8, 2020 in the Times Union, a newspaper of general circulation available to the residents of the Town of Colonie, Albany County, New York, and (C) conducted the Public Hearing on October 19, 2020 at 6:00 p.m. at the Town of Colonie Memorial Town Hall, Town Hall Main Meeting Room, 534 New Loudon Road, Latham in the Town of Colonie, New York; and

WHEREAS, the Company submitted for the Agency's consideration a "Report for The Desmond, Albany Shaker Road, Town of Colonie, NY" of Prestige Hospitality Group dated October 15, 2020 (the "Tourism Destination Report"); and

WHEREAS, by resolution adopted by the members of the Agency on October 19, 2020 (the "Approving Resolution"), the Agency determined to (A) grant the Financial Assistance and to acquire, construct and install the Project Facility, or cause the Project Facility to be acquired, constructed and installed and (B) sell the Project Facility to the Company pursuant to an installment sale agreement dated as of November 1, 2020 (the "Installment Sale Agreement") between the Agency and the Company pursuant to which, among other things, the Company shall be obligated (1) to pay all costs incurred by the Agency with respect to the Project and/or the Project Facility, including all costs of operation and maintenance, all taxes and other governmental charges, any required payments in lieu of taxes, and the reasonable fees and expenses incurred by the Agency with respect to or in connection with the Project and/or the Equipment and (2) to comply with the provisions of the Act applicable to beneficiaries of financial assistance from the Agency; and

WHEREAS, simultaneously with the execution and delivery of this Installment Sale Agreement (the "Closing"), (A) the Company will execute and deliver to the Agency (1) a certain license agreement dated as of November 1, 2020 (the "License to Agency") between the Company and the Agency, which grants to the Agency a license to enter upon the Land for the purpose of undertaking and completing the Project, (2) a bill of sale dated as of November 1, 2020 (the "Bill of Sale to Agency"), which conveys to the Agency all right, title and interest of the Company in the Equipment, and (3) a project agreement dated as of November 1, 2020 (the "Project Agreement"), which sets forth the terms and conditions under which Financial Assistance shall be provided to the Company, and (B) the Agency will file with the New York

State Department of Taxation and Finance the form entitled "IDA Appointment of Project Operator or Agency for Sales Tax Purposes" (the form required to be filed pursuant to Section 874(9) of the Act) (the "Thirty-Day Sales Tax Report"); and

WHEREAS, since no real property tax exemption is intended to be granted by the Agency with respect to the Project at this time, no New York State Board of Real Property Services Form RP-412-a (the form required to be filed by the Agency in order for the Agency to obtain a real property tax exemption with respect to the Project under Section 412-a of the Real Property Tax Law) (a "Real Property Tax Exemption Form") will be filed by the Agency with respect to the Project at this time; and

WHEREAS, the providing of the Project Facility and the sale of the Project Facility to the Company pursuant to this Installment Sale Agreement is for a proper purpose, to wit, to advance the job opportunities, health, general prosperity and economic welfare of the inhabitants of the State, pursuant to the provisions of the Act; and

WHEREAS, all things necessary to constitute this Installment Sale Agreement a valid and binding agreement by and between the parties hereto in accordance with the terms hereof have been done and performed, and the creation, execution and delivery of this Installment Sale Agreement have in all respects been duly authorized by the Agency and the Company;

NOW, THEREFORE, FOR AND IN CONSIDERATION AND THE MUTUAL COVENANTS HEREINAFTER CONTAINED, THE PARTIES HERETO HEREBY FORMALLY COVENANT, AGREE AND BIND THEMSELVES AS FOLLOWS, TO WIT:

ARTICLE II

REPRESENTATIONS, WARRANTIES AND COVENANTS

SECTION 2.1. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE AGENCY. The Agency makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

(A) The Agency is duly established under the provisions of the Act and has the power to enter into this Installment Sale Agreement and the other Basic Documents to which the Agency is a party and to carry out its obligations hereunder and thereunder. Based upon the representations of the Company as to the utilization of the Project Facility, the Project will constitute a "project", as such quoted term is defined in the Act. By proper official action, the Agency has been duly authorized to execute, deliver and perform this Installment Sale Agreement and the other Basic Documents to which the Agency is a party.

(B) Neither the execution and delivery of this Installment Sale Agreement or the other Basic Documents to which the Agency is a party, the consummation of the transactions contemplated hereby or thereby nor the fulfillment of or compliance with the provisions of this Installment Sale Agreement or the other Basic Documents to which the Agency is a party will conflict with or result in a breach by the Agency of any of the terms, conditions or provisions of the Act, the by-laws of the Agency or any order, judgment, restriction, agreement or instrument to which the Agency is a party or by which the Agency is bound, or will constitute a default by the Agency under any of the foregoing.

(C) Pursuant to this Installment Sale Agreement, the Agency will cause the Project Facility to be acquired, constructed, reconstructed and installed and will sell the Project Facility to the Company pursuant to this Installment Sale Agreement, all for the purpose of advancing the job opportunities, health, general prosperity and economic welfare of the people of the State and improving their standard of living.

(D) Except as provided herein and in Article IX and Article X hereof, the Agency, to the extent of its interest therein, shall not sell, assign, transfer, encumber or pledge as security the Project Facility or any part thereof and shall maintain the Project Facility free and clear of all Liens or encumbrances except as contemplated or allowed by the terms of this Installment Sale Agreement and the other Basic Documents.

SECTION 2.2. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE COMPANY. The Company makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

(A) The Company is a limited partnership duly organized and validly existing under the laws of the New York, has the power to enter into this Installment Sale Agreement and the other Basic Documents to which the Company is a party and to carry out its obligations hereunder and thereunder, has been duly authorized to execute, deliver and perform this Installment Sale Agreement and the other Basic Documents to which the Company is a party and is qualified to do business in all jurisdictions in which failure to do so would have a material adverse effect on its operations or ownership of Properties. This Installment Sale Agreement and

the other Basic Documents to which the Company is a party, and the transactions contemplated hereby and thereby have been duly authorized by all necessary action by the Company's general partner.

(B) Neither the execution and delivery of the Basic Documents to which the Company is a party, the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions thereof will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's certificate of limited partnership or limited partnership agreement or any other restriction, order, judgment, agreement or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon any Property of the Company under the terms of any such instrument or agreement, other than the Permitted Encumbrances, (2) require consent (which has not been heretofore received) under any restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (3) require consent (which has not been heretofore obtained) under or conflict with or violate any existing law, rule, regulation judgment, order, writ, injunction or decree of any government, governmental instrumentality or court (domestic or foreign) having jurisdiction over the Company or any of the Property of the Company.

(C) The completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York.

(D) Although facilities and property that are primarily used in making retail sales of goods and services to customers who personally visit the Project Facility will constitute more than one-third (1/3) of the total costs of the Project Facility, the Project falls within an exception in Section 862(2)(a) of the Act, because, based upon the Tourism Destination Report, the Project constitutes a "tourism destination" that is likely to attract a significant number of visitors from outside the economic development region in which the Project is located, consisting of Albany, Saratoga, Greene, Schenectady, Rensselaer, Warren, Washington and Columbia counties.

(E) The Basic Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid and legally binding obligations of the Company, enforceable in accordance with their respective terms.

(F) During the term of this Installment Sale Agreement, the Project is and will continue to be a "project", as such quoted term is defined in the Act, and the Company will not take any action (or omit to take any action required by the Basic Documents or which the Agency advises the Company in writing should be taken), or allow any action to be taken, which action (or omission) would in any way (1) cause the Project Facility not to constitute a "project", as such quoted term is defined in the Act, or (2) cause the Financial Assistance from the Agency to be applied in a manner contrary to that provided in the Basic Documents.

(G) The Project Facility and the operation thereof will comply with all Applicable Laws, and the Company will defend and save the Agency and its officers, members, agents and

employees harmless from all fines and penalties due to failure to comply therewith. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project and the operation of the Project Facility, and the Company will defend and save the Agency and its officers, members, agents and employees harmless from all fines and penalties due to failure to comply therewith.

(H) The Project is a Type II action within the meaning of 6 NYCRR 617.5 and is therefore not subject to review under SEQRA and the regulations thereunder.

(I) The Company acknowledges receipt of notice of Section 874(8) of the Act, which requires that the Company, as agent of the Agency, annually file a statement with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the Commissioner of Taxation and Finance, of the value of all sales and use tax exemptions claimed by the Company and any authorized sub-agents under the authority granted by the Agency.

(J) The Company acknowledges receipt of notice of Section 858-b of the Act, which requires that the Company list new employment opportunities created as a result of the Project with the following entities (hereinafter, the "JTPA Entities"): (1) the New York State Department of Labor Community Services Division and (2) the administrative entity of the service delivery area created by the federal job training partnership act (P.L. No. 97-300), as superseded by Workforce Innovation and Opportunity Act (P.L. No. 113-128), in which the Project Facility is located. The Company agrees, where practicable, to first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the JTPA Entities.

(K) The Company acknowledges receipt of notice of Section 874(9) of the Act, which requires that the Agency file within thirty (30) days of the date the Company is appointed the agent of the Agency a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales and use taxes as a result of such appointment as agent, indicating an estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

(L) The Company shall provide to the Agency any and all documentation or information requested by the Agency so that the Agency can comply with all of its reporting requirements under the Act.

(M) The Company covenants that all Financial Assistance granted to the Company by the Agency shall inure solely to the benefit of the Company.

ARTICLE III

CONVEYANCE AND USE OF THE PROJECT FACILITY

SECTION 3.1. AGREEMENT TO CONVEY TO THE AGENCY. (A) Pursuant to the License to Agency, the Company has or will convey, or will cause to be conveyed, to the Agency a license interest in the Land and all improvements located or to be located thereon. The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons. The Company shall, however, be entitled to physical possession and control of the Project Facility and shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

(B) Pursuant to the Bill of Sale to Agency, the Company has or, will convey, or will cause to be conveyed, to the Agency title to the Equipment. The Company hereby represents and warrants that it has good and marketable title to the portions of the Project Facility that exist on the Closing Date, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend, indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto. The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons. The Company also agrees to pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a Lien affecting the Project Facility, except for Permitted Encumbrances.

SECTION 3.2. USE OF THE PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Basic Documents or the Act, provided such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project Facility into disrepute as a public project.

SECTION 3.3. HAZARDOUS MATERIALS. (A) The Company represents, warrants and covenants that the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, and that, to the best of the Company's knowledge, no prior owner of the Project Facility or any tenant, subtenant, prior tenant or prior subtenant has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

(B) The Company shall keep or cause the Project Facility to be kept free of all Hazardous Materials, except as permitted in accordance with Applicable Laws. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Applicable Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the

Company or any tenant or subtenant of the Company, an unlawful release of Hazardous Materials onto the Project Facility or onto any other property.

(C) The Company shall comply with, and ensure compliance by all tenants and subtenants of the Company with, all Applicable Laws regarding Hazardous Materials whenever and by whomever triggered, and shall obtain and comply with, and ensure that all tenants and subtenants of the Company obtain and comply with, any and all approvals, registrations or permits required thereunder.

(D) To the extent required by any State or federal environmental regulator, the Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Material on, from or affecting the Project Facility (a) in accordance with all Applicable Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all federal, state and local governmental authorities and (2) defend, indemnify, and hold harmless the Agency and its employees, agents, officers and members from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release or threatened release of any Hazardous Materials used, transported, stored, manufactured, refined, handled, produced or disposed of on or in the Project Facility which are on, from or affecting soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any, government order relating to such Hazardous Materials, and/or (d) any violations of Applicable Laws that are based upon or in any way related to such Hazardous Materials, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. Costs under this subsection (D) will be repaid immediately with interest at the Default Interest Rate or the maximum permitted by law, whichever is less.

(E) In the event the Project Facility is foreclosed or repossessed by the Agency, or the Company tenders a deed in lieu of foreclosure, or a bill of sale in lieu of repossession, the Company shall deliver the Project Facility to the purchaser free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Federal, State or local laws, ordinances, rules and regulations governing the use and storage of such materials), so that the condition of the Project Facility shall conform with all Applicable Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents or representatives, may at any reasonable time and at the Company's expense inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Applicable Laws.

SECTION 3.4. COMPLIANCE WITH LICENSE TO AGENCY. (A) Notwithstanding the granting of the license interest created by the License to Agency in the Premises to the Agency pursuant to the License to Agency, the Company agrees, in consideration of the

undertakings of the Agency set forth herein, that the Company will be and remain solely liable under the License to Agency for the performance of all covenants, agreements, obligations and duties of the Agency as licensee under the License to Agency, including but not limited to the making of all payments thereunder, and the Company will perform all of the covenants, agreements and obligations of the Agency as licensee under the License to Agency, at no expense to the Agency, in consideration of the execution and delivery by the Agency of the Basic Documents.

(B) The Company shall, on behalf of the Agency, (1) pay all sums required to be paid by the Agency as licensee under and pursuant to the provisions of the License to Agency and (2) diligently perform and observe all of the terms, covenants and conditions of the License to Agency on the part of the Agency, as licensee thereunder, to be performed and observed, unless such performance or observance shall be waived or not required in writing by the licensor under the License to Agency, to the end that all things shall be done which are necessary to keep unimpaired the rights of the Agency, as licensee, under the License to Agency.

SECTION 3.5. PUBLIC AUTHORITIES LAW REPRESENTATIONS. The parties hereto hereby acknowledge and agree that the Project Facility and the interest therein to be conveyed by this Installment Sale Agreement are not "Property" as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Project Facility and the interests therein are securing the financial obligations of the Company. The Project Facility and the interests therein secure the obligations of the Company to the Agency under this Installment Sale Agreement, including the Company's obligation to acquire, construct, reconstruct, renovate, equip and maintain the Project Facility on behalf of the Agency and the Company's obligation to indemnify and hold harmless the Agency.

ARTICLE IV

UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1. ACQUISITION, CONSTRUCTION, RECONSTRUCTION AND INSTALLATION OF THE PROJECT FACILITY. (A) The Company shall, on behalf of the Agency, promptly acquire, construct, reconstruct, and install the Project Facility, or cause the acquisition, construction, reconstruction and installation of the Project Facility, all in accordance with the Plans and Specifications.

(B) No material change in the Plans and Specifications shall be made unless the Agency shall have consented thereto in writing (which consent of the Agency shall not be unreasonably withheld or delayed).

(C) Title to all materials, equipment, machinery and other items of Property which are a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Land or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) hereof.

(E) The Agency hereby appoints the Company as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Basic Documents, and the Company hereby accepts such appointment, (1) to acquire, construct and install the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be requisite or proper, all for the acquisition, construction, reconstruction and installation of the Project Facility with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to this Installment Sale Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, construction, reconstruction and installation of the Project Facility from funds made available therefor in accordance with this Installment Sale Agreement and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, construction, reconstruction and installation of the Project Facility and to enforce the provisions of any contract, agreement, obligation, or other performance security in connection with the same.

(F) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend, indemnify and save the Agency and its officers, members, agents, servants and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) To the extent required by Applicable Law, the Company, as agent of the Agency, will cause (1) compliance with the requirements of Article 8 of the State Labor Law, and (2) any contractor, subcontractor and other person involved in the acquisition, construction, reconstruction and installation of the Project Facility to comply with Article 8 of the State Labor Law. The covenant in this subsection is not intended as a representation that Article 8 of the State Labor Law applies to the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. Title to portions of the Project Facility acquired, constructed and installed at the Company's cost shall immediately upon such acquisition, construction, reconstruction or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's title to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Installment Sale Agreement.

SECTION 4.2. COMPLETION OF THE PROJECT FACILITY. The Company will proceed with due diligence to commence and complete the acquisition, construction, reconstruction and installation of the Project Facility. Completion of the same shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, construction, reconstruction and installation of the Project Facility has been completed, (D) that the Company or the Agency has good and valid title to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Notwithstanding the foregoing, such certificate may state (1) that it is given without prejudice to any rights of the Company against third parties that exist at the date of such certificate or which may subsequently come into being, (2) that it is given only for the purposes of this Section 4.2, and (3) that no Person other than the Agency may benefit therefrom. Such certificate shall be accompanied by a permanent certificate of occupancy, or a letter from the local Governmental Authority stating that no certificate of occupancy is required, and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes have been issued. The Company agrees to cause the completion of the acquisition, construction, reconstruction and installation of the Project Facility on or before September 30, 2021 unless such date is extended by the Agency in its sole discretion.

SECTION 4.3. REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUB-CONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under a contract made by it in connection with the acquisition, construction, reconstruction and installation of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency in writing of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility and thereafter be paid to the Company for its own use. The Company shall advise the Agency of any actions or proceedings taken hereunder.

SECTION 5.1. AGREEMENT TO CONVEY THE PROJECT FACILITY. In consideration of the Company's covenant herein to make installment purchase payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to sell and convey to the Company, and the Company hereby agrees to purchase and acquire from the Agency, the Project Facility, subject only to Permitted Encumbrances. The obligation of the Agency under this Section to convey the Project Facility to the Company shall be subject to there being no Event of Default existing hereunder, or any other event which would, but for the passage of time, be such an Event of Default.

SECTION 5.2. CONVEYANCE; INSTRUMENTS. (A) The license to and ownership interest of the Agency in the Project Facility shall be terminated by or conveyed (subject to the terms of the other Basic Documents) from the Agency to the Company on the Title Transfer Date subject to Permitted Encumbrances.

(B) The sale and conveyance of the ownership interest of the Agency in the Project Facility shall be effected by the delivery by the Agency of the Bill of Sale to Company (in substantially the form attached hereto as Exhibit C and by this reference made a part hereof) in accordance with the provisions of this Installment Sale Agreement. The termination of the Agency's license interest in the Project Facility created pursuant to the License to Agency shall be effected by the execution and delivery by the Agency to the Company of the Termination of License to Agency (in substantially the form attached hereto as Exhibit D and by this reference made a part hereof). The Company agrees to prepare the Bill of Sale to Company and the Termination of License to Agency and all schedules thereto, together with all necessary documentation, and to forward same to the Agency at least thirty (30) days prior to the date that the Project is to be conveyed to the Company.

(C) The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from the transfers contemplated by this Section 5.2.

(D) This Installment Sale Agreement shall survive the transfer of the Project Facility to the Company pursuant to this Section 5.2 and shall remain in full force and effect until all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 11.7 hereof.

SECTION 5.3. INSTALLMENT PURCHASE PAYMENTS AND OTHER AMOUNTS PAYABLE. (A) The Company shall pay installment purchase payments for the Project as follows:

(1) On the date of execution and delivery of this Installment Sale Agreement, the Company shall pay (1) a single lump sum installment purchase payment, equal to the Agency's administrative fee relating to the Project; and (2) the fees and expenses of counsel to the Agency relating to the Project; and

(2) Within seven (7) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable expenses of the Agency and the officers, members, agents and employees thereof incurred by reason of the Agency's ownership, financing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Installment Sale Agreement or any of the other Basic Documents and any other fee or expense of the Agency with respect to the Project Facility, the sale of the Project Facility to the Company or any of the other Basic Documents, the payment of which is not otherwise provided for under this Installment Sale Agreement.

(B) The Company agrees to make the above mentioned payments, without any further notice, in lawful money of the United States of America which, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 for a period of more than thirty (30) days from the date such payment is due, the Company shall pay the same together with interest thereon at a rate of two percent (2%) per month or the maximum permitted by law, whichever is less, from the date on which such payment was due until the date on which such payment is made.

SECTION 5.4. NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER. (A) The obligations of the Company to make the payments required by this Installment Sale Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment or counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Installment Sale Agreement, or terminate this Installment Sale Agreement for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the acquisition, construction, reconstruction and installation of the Project Facility, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of title to or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Installment Sale Agreement.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Installment Sale Agreement, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 11.9 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company) or

employees of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Installment Sale Agreement, the relationship of the Agency and the Company hereunder or the Company's purchase of and title to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5. PREPAYMENT OF INSTALLMENT PURCHASE PAYMENTS. The Company, at any time, may prepay moneys due under this Installment Sale Agreement to the Agency. The Company shall notify the Agency, in writing, of any such prepayment.

ARTICLE VI

SECTION 6.1. MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY. (A) The Company agrees that, during the term of this Installment Sale Agreement, the Company shall (1) keep the Project Facility in good and safe condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), and (3) operate the Project Facility in a sound and economic manner.

(B) The Company shall not make any structural additions, modifications or improvements to the Project Facility or any part thereof unless:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such addition, modification or improvement to the Project Facility, or a part thereof, (b) defend and save the Agency and its officers, members, agents (other than the Company) and employees harmless from all fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) pay all taxes assessed upon the Project Facility and make all payments in lieu of taxes required by Section 6.6 hereof; and

(2) the addition, modification or improvement to the Project Facility shall not constitute a default under any of the Basic Documents; and

(3) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such addition, modification or improvement to the Project Facility detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for nonstructural additions, modifications or improvements to the Project Facility that do not exceed, at any one time, \$250,000 in value.

SECTION 6.2. TAXES, ASSESSMENTS AND UTILITY CHARGES. (A) The Company agrees to pay or cause to be paid, as the same respectively become due and before any fine, penalty, interest (except interest that is payable in connection with legally permissible installment payments) or other cost may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (1) all taxes, payments in lieu of taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Project Facility or any part or component thereof, or the rental or sale of the Project Facility or any part thereof, and any taxes levied upon or with respect to the income or revenues of the Agency from the Project Facility, (2) all utility and other charges, including "service charges", incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by

any Governmental Authority for public improvements, and (4) all payments required under Section 6.6 hereof; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Installment Sale Agreement.

(B) Notwithstanding the provisions of subsection (A) of this Section 6.2, the Company may in good faith actively contest the validity or the applicability of any payment referred to in such subsection (A) provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Basic Documents, (3) shall have set aside adequate reserves for any such taxes, assessments and other charges, and (4) demonstrates to the reasonable satisfaction of the Agency that the nonpayment of any such items will not subject the Project Facility or any part thereof to loss or forfeiture. Otherwise, such taxes, assessments or charges shall be paid promptly by the Company or secured by the Company's posting a bond in form and substance satisfactory to the Agency.

SECTION 6.3. INSURANCE REQUIRED. During the term of this Installment Sale Agreement, the Company shall maintain insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A)(1) Insurance protecting the interests of the Company as the insured against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils normally insured against with a uniform extended coverage endorsement, such insurance at all times to be in an amount acceptable to the Company and the Agency.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance that the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, construction, reconstruction and installation of the Project Facility.

(C) Insurance protecting the Company and the Agency against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Installment Sale Agreement) and arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$500,000 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company and the Agency with a limit of not less than \$4,000,000.

(D) During the construction period, if any (and for at least one year thereafter in the case of Products and Completed Operations as set forth below), the Company shall cause the

general contractor or general contractors to carry liability insurance of the type and providing the minimum limits set forth below:

- i. Workers' compensation and employer's liability with limits in accordance with applicable law.

This requirement will be waived upon presentation of evidence satisfactory to the Agency that no portion of the Land is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

(F) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST.

SECTION 6.4. ADDITIONAL PROVISIONS RESPECTING INSURANCE. (A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having a Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies shall provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction

in policy limits or material change in coverage thereof. The policy evidencing the insurance required by Section 6.3(C) hereof shall name the Agency as an additional insured on a primary and noncontributory basis with any coverage held by the Agency, if any. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4 hereof. At least thirty (30) days prior to the expiration of any such policy, the Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Installment Sale Agreement.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 6.5. APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) the Net Proceeds of the insurance required by Section 6.3(C) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Section 6.3(B) and 6.3(C) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6. PAYMENTS IN LIEU OF REAL ESTATE TAXES. (A) It is recognized that under the provisions of the Act the Agency is required to pay no taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is not the intention, however, of the parties hereto that the Project Facility be treated as exempt from real property taxation. Accordingly, the parties hereto acknowledge that the Agency has not filed, and does not intend to file a Real Property Tax Exemption Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility, and accordingly the parties hereto understand that the Project Facility is not entitled to any exemption from real property taxation by virtue of the involvement of the Agency with the Project.

(B) In the event that the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, the Agency and the Company hereby agree that the Company, or any subsequent user of the Project Facility pursuant to this Installment Sale Agreement, shall in such event be required to make or cause to be made payments in lieu of real estate taxes to the school district or school districts, city, town, county, village and other political units wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities") in such amounts as would result from real estate taxes being levied on the Project Facility by the Taxing Entities if the Project Facility were privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, but with appropriate reductions similar to the

tax exemptions and credits, if any, which would be afforded to the Company if it were the owner of the Project Facility. It is agreed that the Agency, in cooperation with the Company, (1) shall cause the Project Facility to be valued for purposes of determining the amounts due hereunder as if owned by the Company as aforesaid by the appropriate officer or officers of any of the Taxing Entities as may from time to time be charged with responsibility for making such valuations, (2) shall cause to be appropriately applied to the valuation or valuations so determined the respective real estate tax rate or rates of the Taxing Entities that would be applicable to the Project Facility if so privately owned, (3) shall cause the appropriate officer or officers of the Taxing Entities charged with the duty of levying and collecting such real estate taxes to submit to the Company, when the respective levies are made for purposes of such real estate taxes upon Property privately owned as aforesaid, statements specifying the amounts and due dates of such real estate taxes which the Taxing Entities would receive if such Property were so privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, and (4) shall file with the appropriate officer or officers any accounts or tax returns furnished to the Agency by the Company for the purpose of such filing.

(C) The Company shall pay or cause to be paid to the Taxing Entities when due all such payments in lieu of real estate taxes with respect to the Project Facility required by Section 6.6(B) of this Installment Sale Agreement to be paid to the Taxing Entities, subject in each case to the Company's right to (1) obtain exemptions and credits, if any, which would be afforded to a private owner of the Project Facility, including any available exemption under Section 485-b of the New York Real Property Tax Law with respect to the Project Facility, (2) contest valuations of the Project Facility made for the purpose of determining such payments therefrom, and (3) seek to obtain a refund of any such payments made. In the event the Company shall fail to make or cause to be made any such payments in lieu of taxes when due, the amount or amounts so in default shall continue as an obligation of the Company until fully paid, and the Company hereby agrees to pay or cause to be paid the same, together with interest thereon, at the greater of (a) two percent (2%) per month, or (b) the same rate per annum as if such amounts were delinquent real estate taxes.

ARTICLE VII

DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1. DAMAGE OR DESTRUCTION. (A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Installment Sale Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that in the Company's sole judgment, the Company does not deem it practical or desirable to replace, repair, rebuild or restore the Project Facility. In such event, of if an Event of Default shall have occurred and be continuing, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) the amount necessary to prepay the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all policies of insurance are

less than the amount necessary to prepay Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to prepay the Indebtedness in full.

(C) If Indebtedness has been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(D) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) hereof.

SECTION 7.2. CONDEMNATION. (A) To the knowledge of the Company, no condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility.

(B) If title to, or the use of, less than substantially all of the Project Facility shall be taken by Condemnation:

(1) neither the Agency nor the Company shall have an obligation to restore the Project Facility; and

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Installment Sale Agreement (whether or not the Project Facility is restored).

(C) If all amounts due under this Installment Sale Agreement and the other Basic Documents have been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(D) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof and may negotiate the settlement of any such proceeding.

(E) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company.

SECTION 7.3. ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII

THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE PROJECT FACILITY OR ANY PART THEREOF OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company) or employees by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts

The Company shall have the right to defend the Agency, its directors, members, officers, agents (except the Company), and employees, and provided the Company promptly and continuously thereafter defends the Agency, its directors, members, officers, agents (except the Company), and employees, no other attorney's fees of the Agency, its directors, members, officers, agents (except the Company), and employees shall be payable by the Company.

In any such defense of itself, the Agency shall select its own counsel, and any and all reasonable out-of-pocket costs of such defense, including, without limitation, reasonable attorney and disbursement fees, court costs, and litigation expenses shall be paid by the Company.

SECTION 8.3. RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times to enter upon and to examine and inspect the Project Facility. The Company further agrees that the Agency shall have such rights of access to the Project Facility as may be reasonably necessary to

cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder.

SECTION 8.4. COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS; CONDITIONS UNDER WHICH EXCEPTIONS PERMITTED. The Company agrees that, during the term of this Installment Sale Agreement, it will maintain its existence, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another entity, or permit one or more entities to consolidate with or merge into it.

SECTION 8.5. AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such information concerning the Company, its finances and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation. Without limiting the foregoing, the Company further agrees whenever requested by the Agency to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations, its employment and its affairs necessary to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act or the Public Authorities Accountability Act of 2005 and the Public Authorities Reform Act of 2009, each as amended from time to time, or any other reports required by the New York State Authorities Budget Office or the Office of the State Comptroller or any of the Basic Documents. (B) As soon as possible after the end of each fiscal year of the Company, but in any event within thirty (30) days after such date, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto.

SECTION 8.7. COMPLIANCE WITH APPLICABLE LAWS. (A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Installment Sale Agreement, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Basic Documents, (3) shall have set aside adequate reserves for any such requirement, and (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or

any part thereof to loss or forfeiture. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents, servants or employees may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8. DISCHARGE OF LIENS AND ENCUMBRANCES. The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency (other than Permitted Encumbrances) or on any funds of the Agency applicable to the Project Facility.

SECTION 8.9. PERFORMANCE OF THE COMPANY'S OBLIGATIONS. SECTION 8.11. EMPLOYMENT OPPORTUNITIES. The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Project Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created by the federal job training partnership act (P.L. No. 97-300), as superseded by Workforce Innovation and Opportunity Act (P.L. No. 113-128) in which the Project Facility is located (collectively, the "Referral Agencies"). Such job opportunities required to be listed with the Agency shall include internships. The Company also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies. The Company also covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will list all available job openings and internships on the Agency's website for the duration of the term of this Installment Sale Agreement.

SECTION 9.2. ASSIGNMENT OF INSTALLMENT SALE AGREEMENT. (A) The Company may not sell, lease, transfer, convey or otherwise dispose of the Project Facility or any part thereof without the prior written consent of the Agency, which consent shall not be unreasonably withheld.

(B) Notwithstanding anything to the contrary contained in this Installment Sale Agreement, in any instance after the Completion Date where the Company reasonably determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with similar items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Basic Documents. (1) A default by the Company in the due and punctual payment of the amounts specified to be paid pursuant to Section 5.3(A) hereof;

(2) A default in the performance or observance of any other of the covenants, conditions or agreements on the part of the Company in this Installment Sale Agreement and the continuance thereof for a period of thirty (30) days after written notice is given by the Agency to the Company, provided that if such default cannot reasonably be cured within said thirty-day period and the Agency or the Company shall have commenced action to cure the breach of covenant within said thirty-day period and, thereafter, diligently and expeditiously proceeds to cure the same, such thirty-day period shall be extended for so long as the Company shall require, in the exercise of due diligence, to cure such default; and

(3) The occurrence of an “Event of Default” under any other Basic Document.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(5) The Company shall conceal, remove or permit to be concealed or removed any part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute; (b) the failure by the Company within sixty (60) days to lift any execution, garnishment or attachment of such consequence as will impair the Company’s ability to carry out its obligations hereunder; (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of sixty (60) days; (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of

a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within sixty (60) days of such appointment.

(7) The removal of the Project Facility, or any portion thereof, outside the Town of Colonie, New York, without the prior written consent of the Agency, other than in connection with a removal under Section 9.3(B) hereof.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance.

(B) Notwithstanding the provisions of Section 10.1(A) hereof, if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Installment Sale Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party and to the Agency within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Installment Sale Agreement of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required by Sections 5.3 and 6.2 hereof, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Section 8.2 hereof and to comply with the provisions of Sections 2.2(F), 8.2, 8.4, 8.5 and 8.7(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, orders of any kind of any Governmental Authority or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, partial or entire failure of utilities, or any other cause or event not reasonably within the control of the party claiming such inability. SECTION 10.2. REMEDIES ON DEFAULT. (A) Whenever any Event of Default hereunder shall have occurred, the Agency may to the extent permitted by law take any one or more of the following remedial steps:

(1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, all other payments due under this Installment Sale Agreement or any of the other Basic Documents;

(2) reserved;

(3) terminate this Installment Sale Agreement and convey to the Company all the Agency's right, title and interest in and to the Project Facility (the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution by the Agency of the Bill of Sale to Company; the Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such transfer of title); or

(4) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Installment Sale Agreement.

(B) Any sums collected as a consequence of any action taken pursuant to this Section 10.2 shall be paid to the Agency and applied in accordance with the provisions of this Installment Sale Agreement and the other Basic Documents.

(C) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by Sections 5.3 and 8.2 hereof.

SECTION 10.3. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Installment Sale Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4. AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Installment Sale Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred, whether an action is commenced or not.

SECTION 10.5. NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
