ARTICLE II

COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF PROJECT FACILITY.

(A) **Assessment of Project Facility:** Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of a leasehold interest in the Project Facility by the Agency and the filing by the Agency of Real Property Tax Exemption Form (Form RP-412-a), and for so long thereafter as the Agency shall have a leasehold interest in the Project Facility, the Project Facility shall be assessed by the Town of Colonie, Albany County, New York (hereinafter referred to as the “Town”) and by the various other taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, school district, or other political unit or units in which the Project Facility is located (the Town and such other taxing entities being sometimes collectively referred to as the “Taxing Entities”, and each of such Taxing Entities being sometimes individually referred to as a “Taxing Entity”) as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest in the Project Facility. The Company shall, promptly following acquisition by the Agency of the leasehold interest, take such action as may be necessary to ensure that the Project Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency and, for so long thereafter as the Agency shall have a leasehold interest in the Project Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Project Facility shall not be entitled to such exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent to the date upon which the Agency obtains of record a leasehold interest in the Project Facility. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. Subject to Section 3.01 hereof, the Agency will reasonably cooperate with the Company to preserve the tax-exempt status of the Project Facility and to achieve the purposes and effect of this Agreement.

(B) **Special Assessments:** The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company shall pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES.

(A) Agreement to Make Payments: The Company agrees that it shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the respective Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company also agrees to give the assessor a copy of this Agreement. The payments due hereunder shall be paid by the Company to the respective appropriate officer or officers of the respective Taxing Entities charged with receiving payments of taxes for such Taxing Entities (such officers being collectively hereinafter referred to as the "Receivers of Taxes") for distribution by the Receivers of Taxes to the appropriate Taxing Entities entitled to receive same pursuant to the provisions hereof. The Company shall pay interest and late charges as required by Section 874 of the Act.

(B) Valuation of Project Facility: The assessed value of the Project Facility for purposes of determining payments in lieu of taxes due hereunder (the "Assessed Value") shall be calculated as follows:

Commencing in first taxable year after execution hereof the Assessed Value shall be determined by the Assessor as follows: The Assessor shall appraise the Project Facility in the same manner and using the same valuation method as other similar properties in the general area of the Project Facility, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Assessor shall determine a separate Assessed Value for (i) the Land, and (ii) each of the four buildings comprising a portion of the Improvements (each, a "**Building**"). The Company shall be entitled to prompt written notice of the initial Assessed Value and of any change thereto. If the Company is dissatisfied with the amount of the Assessed Value, as initially established or as changed, the Company shall have the right to contest the Assessed Value made for purposes of determining any payments due hereunder and to seek a refund of any such payments made hereunder. The Company's challenge to the Assessed Value, and its determination to seek a refund of any payments made hereunder shall be made in accordance with New York Real Property Tax Law.

(C) Amount of Payments in Lieu of Taxes: The payments in lieu of taxes to be paid by the Company to the various Receivers of Taxes annually on behalf of each Taxing Entity pursuant to the terms of this Agreement shall be computed separately for each Taxing Entity as follows:

(1) With respect to each year during the term of this Agreement

(a) Determine the amount of general taxes and general assessments that would be payable to each Taxing Entity if the Land were owned by the Company and the Agency did not have a leasehold interest in the Land by multiplying (a) the Assessed Value of the Land determined pursuant to Subsection (B) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Land if the Land were owned by the Company and the Agency did not have a leasehold interest therein (hereinafter referred to as the "Land Normal Tax").

(b) Next, determine the amount of general taxes and general assessments that would be payable to each Taxing Entity if the Improvements were owned by the Company and the Agency did not have a leasehold interest therein by multiplying (a) the Assessed Value of the Improvements determined pursuant to Subsection (B) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to the Improvements if the Improvements were owned by the Company and the Agency did not have a leasehold interest therein (hereinafter referred to as the “Improvements Normal Tax”).

(2) In each tax year during the term of this Agreement beginning with the first tax year that commences after March 1, 2021 (the first day of such tax year being referred to herein as the “Commencement Date”), the payments in lieu of taxes to be paid by the Company to the various Receivers of Taxes annually on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to the terms of this Agreement with respect to the Project Facility shall be the sum of:

(a) 100% of the Land Normal Tax, **plus**

(b) A portion of the Improvements Normal Tax calculated as follows:

(i) Prior to a Building Abatement Commencement Date (as defined in (iii) below) with respect to a Building, 100% of the Improvements Normal Tax due with respect to such portion of the Improvements Normal Tax allocable to such Building, **plus**

(ii) Following a Building Abatement Commencement Date with respect to a Building, with respect to such portion of the Improvements Normal Tax allocable to such Building, such portion of the Improvements Normal Tax multiplied by the specified percentage as shown in the following table:

<u>Year</u>	<u>Percentage of allocable portion of Improvements Normal Tax</u>
1	10%
2	20%
3	30%
4	40%
5	55%
6	70%
7	85%
8 and thereafter	100%

(iii) The schedule set forth in (ii) above shall be applied separately with respect to each Building, and shall commence separately with respect to each

Building (each, a “**Building Abatement Commencement Date**”) at the sole option and discretion of the Company, on the earlier of (i) the first day of the first tax year following the taxable status date (March 1) immediately after the issuance of a certificate of occupancy with respect to such Building by the appropriate governmental entity, or (ii) upon receipt by the Agency by February 28 of any year of written notice from the Company to the Agency setting forth the effective date for commencement of the abatement for such Building (which effective date can be no later than the date set forth in (i) above)). Notwithstanding the foregoing, in no event shall any Building Abatement Commencement Date commence in a tax year later than seven years from December 21, 2020.

(iv) Notwithstanding the foregoing, the Company further covenants and agrees that for any period that the Agency continues to hold a leasehold interest in the Project Facility after the eighth anniversary of the Final Abatement Commencement Date (as defined in the Lease Agreement), the Company shall pay 100% of the Improvements Normal Tax. The Company shall not be liable or responsible for double tax payments associated with this Agreement and the restoration of the Project Facility to the assessment roll under Section 520 of the Real Property Tax Law.

(3) All PILOT Payments will be allocated among the “affected tax jurisdictions” pro-rata in accordance with the applicable tax rates.

(D) Additional Amounts in Lieu of Taxes: (1) Commencing on the first tax year following the date on which any material modification or any structural addition shall be made to the Project Facility or any portion thereof or any additional building or other structure shall be constructed on the Land that is not included in the definition of “Project Facility” (such structural additions and additional buildings and other structures being hereinafter referred to as “Additional Facilities”) the Company agrees to make additional annual payments in lieu of property taxes with respect to such Additional Facilities (such additional payments being hereinafter collectively referred to as “Additional Payments”) to the Receiver of Taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(a) Determine the amount of general taxes and general assessments (hereinafter referred to as the “Additional Normal Tax”) that would be payable to each Taxing Entity with respect to such Additional Facilities if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to subsection (E) of this Section 2.02 by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein.

(b) In each fiscal tax year during the term of this Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity, as if such Additional Facilities were owned by the Company and the Agency did not have a leasehold interest therein), the amount payable by the Company to the Receivers of Taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency and the Company shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(E) Valuation of Additional Facilities.

(1) The value of Additional Facilities for purposes of determining payments in lieu of taxes due under Section 2.02(D) hereof shall be determined by the Assessor of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner as other similar properties in the general area of the Project Facility, and (b) place a value for assessment purposes (hereinafter referred to as the “Additional Assessed Value”) upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company is dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, the Company shall have the right to contest the Additional Assessed Value of the Project Facility made for purposes of determining any payments due hereunder and to seek a refund of any such payments made hereunder. The Company’s challenge to the Additional Assessed Value of the Project Facility and the determination of the Company to seek a refund of any payments made hereunder shall be made in accordance with the Real Property Tax Law.

(F) Statements: The Agency agrees to give the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Taxing Entities a copy of this Agreement and request that said officers submit to the Company and to the Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(G) Time of Payments: Subject to Section 2.03(B) hereof, the Company agrees to pay the amounts due hereunder to the appropriate Receiver of Taxes within the period that such Taxing Entity allows payment of taxes levied in such fiscal tax year without penalty. The Company shall be entitled to receive receipts for such payments.

(H) Method of Payment: All payments by the Company hereunder shall be paid to the Receivers of Taxes by check in lawful money of the United States of America. The Receivers of Taxes shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same.

(I) Transfer to Company: In the event the Agency no longer has a leasehold interest in the Project Facility, the Project Facility shall be immediately subject to taxation pursuant to Section 302 and Section 520 of the Real Property Tax Law, as amended. However, in no event shall the Company be required to pay both payments in lieu of taxes and real property taxes for a concurrent tax year or any portion thereof. Therefore, should the Agency's interest in the Project Facility be conveyed to the Company and thus become taxable pursuant to Real Property Tax Law Section 520, the Taxing Entities agree that any payments payable under this Agreement as payments in lieu of taxes shall be reduced by the amount of any taxes which are required to be paid under Real Property Tax Law Section 520 for any such concurrent tax year or any portion thereof, and should such payments in lieu of taxes already have been made, the Taxing Entities shall refund any such amounts owing to the Company.

SECTION 2.03. CREDIT FOR TAXES PAID. (A) Credits: The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever that the Company may be required to pay under the Lease Agreement. It is understood and agreed, however, that should the Company pay in any calendar year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Project Facility or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, sales and use taxes, or special assessments and special ad valorem levies described in Section 2.01(B) above) then the Company's obligation to make payments in lieu of property taxes for such calendar year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such calendar year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other calendar year.

(B) Method of Claiming Credits: If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity prior written notice of its intention to claim any credit pursuant to the provisions of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of

any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable, together with interest thereon from the date such payment in lieu of tax was originally due, at the rate of eighteen percent (18%) per annum, and such amount and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. INTEREST. If the Company shall fail to make any payment required by this Agreement when due, their obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with late charges and interest thereon, as required by Section 874 of the Act and as more fully described in Section 4.05 hereof.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY. Notwithstanding anything contained in this Agreement to the contrary:

(A) No Recourse: All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, officer, agent (other than the Company), servant or employee of the Agency in his or her individual capacity, and no recourse under or upon any obligation, covenants or agreement contained in this Agreement, or otherwise based upon or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement, it being expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(B) Limited Obligation: The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the Town of Colonie, New York, and neither the State of New York nor the Town of Colonie, New York shall be liable thereon, and further such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined the Lease Agreement).

(C) Further Limitation: Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses (including, without limitation, attorneys' fees and expenses) or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company to defend and hold harmless the Agency

satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events shall constitute an event of default under this Agreement, and the terms “Event of Default” or “Default” shall mean, whenever they are used in this Agreement, any one or more of the following events:

(A) Failure of the Company to pay any amount due and payable by the Company pursuant to this Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in subsection (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period, the Company shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same;

(C) Any warranty, representation or other statement by or on behalf of the Company contained in this Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement; or

(D) The occurrence and continuance of an “Event of Default” under the Lease Agreement, beyond any applicable cure period (if any).

SECTION 4.02. REMEDIES ON DEFAULT. Whenever any Event of Default shall have occurred with respect to this Agreement, the Agency (or if such Event of Default concerns a payment required to be made hereunder to any Taxing Entity, then with respect to such Event of Default such Taxing Entity) may take whatever action at law or in equity as may appear necessary or desirable to the Agency or such Taxing Entity, as the case may be, to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement, including without limitation, terminating the Company’s status as agent of the Agency and causing the surrender of the Underlying Lease to be duly recorded. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Agreement may be brought in the courts of record of the State of New York, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection that it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY’S FEES AND EXPENSES. If the Company should default in performing any of its obligations, covenants or agreements under this Agreement and the Agency or any Taxing Entity should employ attorneys or incur other expenses for the collection of

any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency or such Taxing Entity, as the case may be, the reasonable expenses so incurred, whether or not an action is commenced together with interest thereon at the maximum rate allowed by law.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

SECTION 4.05. PAYMENT OF INTEREST AND PENALTIES. Pursuant to Section 874(5) of the Act, as amended, if the Company shall fail to make or cause to be made any such payments in lieu of real estate taxes when due, the amount or amounts so in default shall continue as an obligation of the Company until fully paid, and the Company hereby agrees to pay or cause to be paid the same, together with a late payment penalty equal to five percent (5%) of the amount due. Additionally, if the Company shall fail to make any payment required by this Section 4.05 when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the same rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.
