The Company agrees, where practicable, to first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the JTPA Entities.

ARTICLE III

CONVEYANCE AND USE OF PROJECT FACILITY

SECTION 3.1. CONVEYANCE TO THE AGENCY. Pursuant to the Underlying Lease the Company has conveyed or will convey, or will cause to be conveyed, to the Agency a leasehold interest in the Land and all improvements located or to be located thereon. Pursuant to the Bill of Sale to Agency the Company has conveyed or will convey, or will cause to be conveyed, to the Agency title to the Equipment. The Company hereby represents and warrants that it has a valid fee interest in the Land and has title to the portions of the Project Facility that exist on the Closing Date, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend, indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto. The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest a leasehold interest in the Agency and shall take all action necessary or appropriate to protect such leasehold interest against claims of any third Persons. The Company also agrees to pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a Lien affecting the Project Facility, except for Permitted Encumbrances.

SECTION 3.2. USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Basic Documents or the Act, provided such use causes the Project Facility to qualify or continue to qualify as a “project” under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project Facility into disrepute as a public project.

SECTION 3.3. HAZARDOUS MATERIALS. (A) The Company represents, warrants and covenants that the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner that violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, and, to the best of the Company’s knowledge, no prior owner of the Project Facility or any tenant, subtenant, prior tenant or prior subtenant has used Hazardous Materials on, from or affecting the Project Facility in any manner that violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

(B) The Company shall keep or cause the Project Facility to be kept free of all Hazardous Materials, except as permitted in accordance with Applicable Laws. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Applicable Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or any tenant or subtenant of the Company, an unlawful release of Hazardous Materials onto the Project Facility or onto any other property.

(C) The Company shall comply, and ensure compliance by all tenants and subtenants of the Company, with all Applicable Laws regarding Hazardous Materials whenever and by whomever triggered, and shall obtain and comply, and ensure that all tenants and subtenants of the Company obtain and comply, with any and all approvals, registrations or permits required thereunder.

(D) To the extent required by any State or federal environmental regulator, the Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Material on, from or affecting the Project Facility (a) in accordance with all Applicable Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all federal, state and local governmental authorities and (2) defend, indemnify, and hold harmless the Agency and its employees, agents, officers and members from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release or threatened release of any Hazardous Materials used, transported, stored, manufactured, refined, handled, produced or disposed of on or in the Project Facility which are on, from or affecting soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any, government order relating to such Hazardous Materials, and/or (d) any violations of Applicable Laws that are based upon or in any way related to such Hazardous Materials, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. Costs under this subsection (D) will be repaid immediately with interest at the Default Interest Rate or the maximum permitted by law, whichever is less.

(E) In the event the Project Facility is foreclosed by the Agency, or the Company tenders a deed in lieu of foreclosure, the Company shall deliver the Project Facility to the purchaser free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Federal, State or local laws, ordinances, rules and regulations governing the use and storage such materials), so that the condition of the Project Facility shall conform with all Applicable Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents or representatives, may with reasonable notice, at any reasonable time and at the Company's expense, inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Applicable Laws. The Agency may not exercise this right more than once a year.

SECTION 3.4. NON-MERGER. During the term of this Lease Agreement, there shall be no merger of this Lease Agreement nor of the leasehold estate created by this Lease Agreement with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease Agreement or the leasehold estate created by this Lease Agreement or any interest in this Lease Agreement or in any such leasehold estate and (2) the fee estate in the Premises or any part thereof

or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities including any mortgagee having any interest in (x) this Lease Agreement or the leasehold estate created by this Lease Agreement and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5. COMPLIANCE WITH UNDERLYING LEASE. (A) Notwithstanding the granting of the leasehold interest created by the Underlying Lease in the Premises to the Agency pursuant to the Underlying Lease, the Company agrees, in consideration of the undertakings of the Agency set forth herein, that the Company will be and remain solely liable under the Underlying Lease for the performance of all covenants, agreements, obligations and duties of the Agency as tenant under the Underlying Lease, including, but not limited to, the making of all rental and other payments thereunder, and the Company will perform all of the covenants, agreements and obligations of the Agency as tenant under the Underlying Lease, at no expense to the Agency, in consideration of the execution and delivery by the Agency of the Basic Documents.

(B) The Company shall, on behalf of the Agency, (1) pay all rents, additional rents and other sums required to be paid by the Agency as tenant under and pursuant to the provisions of the Underlying Lease and (2) diligently perform and observe all of the terms, covenants and conditions of the Underlying Lease on the part, of the Agency, as tenant thereunder, to be performed and observed, unless such performance or observance shall be waived or not required in writing by the landlord under the Underlying Lease, to the end that all things shall be done which are necessary to keep unimpaired the rights of the Agency, as tenant, under the Underlying Lease.

SECTION 3.6. PUBLIC AUTHORITIES LAW REPRESENTATIONS. The parties hereto hereby acknowledge and agree that the Project Facility and the interest therein to be conveyed by this Lease Agreement are not “Property” as defined in Article 9, Title 5-A of the Public Authorities Law of the State because the Project Facility and the interests therein are securing the financial obligations of the Company. The Project Facility and the interests therein secure the obligations of the Company to the Agency under the Payment in Lieu of Tax Agreement and this Lease Agreement, including the Company’s obligation to acquire, construct, equip and maintain the Project Facility on behalf of the Agency and the Company’s obligation to indemnify and hold harmless the Agency.

SECTION 3.7. SUBORDINATION OF LEASE AGREEMENT. This Lease Agreement and any and all modifications, amendments, renewals and extensions thereof is subject and subordinate (except with respect to the Unassigned Rights) to the Mortgage and any other mortgage or mortgages that may be granted by the Company and the Agency on the Project Facility or any portion thereof and to any and all modifications, amendments, consolidations, extensions, renewals, replacements and increases thereof.

ARTICLE IV

UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1. ACQUISITION, CONSTRUCTION, INSTALLATION AND COMPLETION OF THE PROJECT FACILITY. (A) The Company shall, on behalf of the Agency, promptly acquire, construct, install and complete the Project Facility, or cause the acquisition, construction, installation and completion of the Project Facility, all in accordance with the Project description.

(B) No material change in the Project description shall be made unless the Agency shall have consented thereto in writing (which consent of the Agency shall not be unreasonably withheld or delayed).

(C) Title to all materials, equipment, machinery and other items of Property presently incorporated or installed in and which are a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Land or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor.

(E) The Agency hereby appoints the Company as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Basic Documents, and the Company hereby accepts such appointment: (1) to acquire, construct, install and complete the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things that may be requisite and proper, all for the acquisition, construction, installation and completion of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to this Lease Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, construction, installation and completion of the Project Facility from funds made available therefor in accordance with this Lease Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, construction, installation and completion of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same.

(F) In accordance with Section 224-a(8)(d) of Article 8 of the New York Labor Law, the Agency has identified that the “financial assistance” (within the meaning of Section 858 of the General Municipal Law) requested by the Company in the approximate amount of \$3,020,082, consisting of a sales and use tax exemption in an amount not to exceed \$534,000, a mortgage recording tax exemption in an amount not to exceed \$192,000 and a real property tax exemption benefit of approximately \$2,294,082, constitutes “public funds” within the meaning of Section 224-a(2)(b) of Article 8 of the New York Labor Law and such funds are not excluded under Section 224-a(3) of Article 8 of the New York Labor Law. The Agency hereby notifies the Company of the Company’s obligations under Section 224-a(8)(a) of Article 8 of the New York Labor Law. Notwithstanding anything herein to the contrary, the amount of real property tax exemption benefits comprising the Financial Assistance reflects the total estimated real property tax exemptions for the Project Facility (which constitute those taxes that would have been paid if the Project Facility were on the tax rolls and not subject to the Lease Agreement) of approximately \$4,705,810 less the estimated payments in lieu of taxes of approximately \$2,411,728 to be made by the Company to the affected tax jurisdictions with respect to the Project Facility during the terms of the Lease Agreement. The approximate amount of estimated real property tax exemptions and the approximate amount of estimated payments in lieu of taxes are estimated based on an assumed assessed value of the Project Facility and assumed future tax rates of the affected tax jurisdictions. The actual amount of real property tax abatement benefit is subject to change over the terms of the Lease Agreement depending on any changes to assessed value and/or tax rates of the Affected Tax Jurisdictions. The PILOT Agreement reflects the calculation for the annual amount of the payments in lieu of taxes to be made to the affected tax jurisdictions in each year during the term of the Lease Agreement.

(G) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend, indemnify and save the Agency and its officers, members, agents, servants and employees harmless from all fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(H) To the extent required by Applicable Law, the Company, on its own behalf or as agent of the Agency (as applicable), will cause (1) compliance with the requirements of Article 8 of the State Labor Law, and (2) any contractor, subcontractor and other person involved in the acquisition, construction and installation of the Project Facility to comply with Article 8 of the State Labor Law. The covenant in this subsection is not intended as a representation that Article 8 of the State Labor Law applies to the Project.

(I) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. A leasehold interest in portions of the Project Facility acquired, constructed and installed at the Company’s cost shall immediately upon such acquisition, construction or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency’s interest to such portions of the Project Facility.

(J) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease Agreement.

SECTION 4.2. COMPLETION OF THE PROJECT FACILITY. The Company will proceed with due diligence to commence and complete the acquisition, construction, installation and completion of the Project Facility. Completion of the same shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (A) the date of such completion, (B) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (C) that the acquisition, construction and installation of the Project Facility has been completed, with the exception of ordinary punchlist items and work awaiting seasonal opportunity, (D) that the Company or the Agency has good and valid fee or leasehold interest in all Property constituting any portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (E) that the Project Facility is ready for occupancy, use and operation for its intended purposes. Notwithstanding the foregoing, such certificate may state (1) that it is given without prejudice to any rights of the Company against third parties that exist at the date of such certificate or which may subsequently come into being, (2) that it is given only for the purposes of this Section 4.2, and (3) that no Person other than the Agency may benefit therefrom. In the case of the Project Facility, such certificate shall be accompanied by a certificate of occupancy, or a letter from the local Governmental Authority stating that no certificate of occupancy is required, and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes have been issued. The Company agrees to use commercially reasonable efforts to cause the completion of the acquisition, construction and installation of the Project Facility on or before the Completion Date.

SECTION 4.3. REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under a contract made by it in connection with the acquisition, construction and installation of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialmen so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency in writing of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility, and thereafter be paid to the Company for its own use.

ARTICLE V

DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE

SECTION 5.1. LEASE OF THE PROJECT FACILITY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and lease to the Company, and the Company hereby agrees to rent and lease from the Agency, the Agency's interest in the Project Facility, subject only to Permitted Encumbrances. The obligation of the Agency under this Section 5.1 to lease the Project Facility to the Company shall be subject to there being no Event of Default existing hereunder, or any other event which would, but for the passage of time, be such an Event of Default.

SECTION 5.2. DURATION OF THE LEASE TERM; QUIET ENJOYMENT. (A) The Agency shall deliver to the Company possession of the Project Facility, and the leasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Except as otherwise provided in Article X hereof, the leasehold estate created hereby shall terminate on the earlier to occur of (1) the day immediately preceding the eighth (8th) anniversary of the Final Abatement Commencement Date or (2) the date that this Lease Agreement shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X of this Lease Agreement, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease Agreement and will, at the written request of the Company and at the Company's expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3. RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE. (A) The Company shall pay basic rental payments for the Project Facility as follows: On the date of execution and delivery of this Lease Agreement, the Company shall pay, as the basic lease payments due hereunder, (1) a lump sum basic rental payment, equal to the first installment of the Agency's administrative fee relating to the Project in the amount of \$174,349 reflecting the portion of the Agency's administrative fee related to the project costs for the 120,000 square foot building constituting a portion of the Project Facility; and (2) the fees and expenses of counsel to the Agency relating to the Project. On the date of closing of the mortgage loan for the construction loan on the 45,000 square foot building constituting a portion of the Project Facility (or the start of construction on the 45,000 square foot building in the event that a mortgage loan is not obtained in connection therewith), (1) a lump sum basic rental payment, equal to the second installment of the Agency's administrative fee relating to the Project in the amount of \$65,651 reflecting the portion of the Agency's administrative fee related to the project costs for the 45,000 square foot building constituting a portion of the Project Facility and (2) the fees and expenses of counsel to the Agency relating to such mortgage loan closing.

(B) Within fifteen (15) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable expenses (including attorney fees) of the Agency and the officers, members, agents and employees thereof incurred by reason of the Agency's ownership, leasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease Agreement or any of the other Basic Documents, and any other fee or expense of the Agency with respect to the Project Facility, the leasing or sale of the Project Facility to the Company, or any of the other Basic Documents, the payment of which is not otherwise provided for under this Lease Agreement.

(C) The Company agrees to make the above-mentioned payments, without any further notice, by check or wire transfer, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less, from the date on which such payment was due until the date on which such payment is made.

SECTION 5.4. NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER. (A) The obligations of the Company to make the payments required by this Lease Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of set-off, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease Agreement, or terminate this Lease Agreement for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for destruction of or damage to, Condemnation of title to or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease Agreement.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Lease Agreement, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.11 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company) or employees of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's

remedies under or with respect to this Lease Agreement, the relationship of the Agency and the Company hereunder or the Company's use and occupancy of or purchase of or title to the Project Facility, or any other liability of the Agency to the Company.

ARTICLE VI

(A) During the term of this Lease Agreement, the Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), and (3) operate the Project Facility in a sound and economic manner.

(B) The Company shall not make any structural additions, modifications or improvements to the Project Facility or any part thereof unless:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such addition, modification or improvement to the Project Facility, or a part thereof, (b) defend and save the Agency and its officers, members, agents (other than the Company) and employees harmless from all fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) pay all taxes assessed upon the Project Facility and make all payments in lieu of taxes required by any payment in lieu of tax agreement executed in connection with all or any portion of the Project Facility, including those required by Section 2.02(D) thereof;

(2) the addition, modification or improvement to the Project Facility shall not constitute a default under any of the Basic Documents; and

(3) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such addition, modification or improvement to the Project Facility detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for nonstructural additions, modifications or improvements to the Project Facility that do not exceed, at any one time, \$250,000 in value.

SECTION 6.2. TAXES, ASSESSMENTS AND UTILITY CHARGES. (A) The Company agrees to pay or cause to be paid, as the same respectively become due and before any fine, penalty, interest (except interest that is payable in connection with legally permissible installment payments) or other cost may be added thereto or become due or be imposed by operation of law for the non-payment thereof, (1) all taxes, payments in lieu of taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility and any machinery, equipment or other Property installed or brought by the Company therein or thereon, including, without limiting the generality of the foregoing, any sales or use taxes imposed with respect to the Project Facility or any part or component thereof, or the rental or sale of the Project Facility or any part thereof, and any taxes levied upon or with respect to the income or revenues of the Agency from the Project Facility, (2) all utility and other charges including "service charges", incurred or imposed for or with respect to the operation, maintenance,

use, occupancy, upkeep and improvement of the Project Facility, (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements, and (4) all payments required under Section 6.6 hereof and the Payment in Lieu of Tax Agreement, provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease Agreement.

(B) Notwithstanding the provisions of subsection (A) of this Section 6.2, the Company may in good faith actively contest any such taxes, assessments and other charges, provided that the Company (1) first shall have notified the Agency in writing of such contest and (2) is not in default under any of the Basic Documents. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3. INSURANCE REQUIRED. During the term of this Lease Agreement, the Company shall maintain insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company as the insured and the Agency as additional insured, as their interests may appear, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils normally insured against with a uniform extended coverage endorsement, such insurance at all times to be in an amount acceptable to the Company and the Agency.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance that the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, construction or installation of the Project Facility.

(C) Insurance protecting the Company and the Agency against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease Agreement) and arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$500,000 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company and the Agency with a limit of not less than \$4,000,000.

(D) During the construction period, if any (and for at least one year thereafter in the case of Products and Completed Operations as set forth below), the Company shall cause the general contractor or general contractors to carry liability insurance of the type and providing the minimum limits set forth below:

i. Workers' compensation and employer's liability with limits in accordance with applicable law.

ii. Comprehensive general liability providing coverage for:

Premises and Operations
Products and Completed Operations

Contractors Protective
Contractual Liability
Personal Injury Liability

Such insurance shall have a limit of liability of not less than \$1,000,000 (combined single limit for personal injury, including bodily injury or death, and property damage).

iii. Comprehensive auto liability, including all owned, non-owned and hired autos, with a limit of liability of not less than \$1,000,000 (combined single limit for personal injury, including bodily injury or death, and property damage).

iv. Excess "umbrella" liability providing liability insurance in excess of the coverages in (ii) and (iii) above with a limit of not less than \$4,000,000.

(E) A policy or policies of flood insurance in an amount not less than the greater of \$500,000 or the maximum amount of flood insurance available with respect to the Project Facility under the Flood Disaster Protection Act of 1973, as amended, whichever is less. This requirement will be waived upon presentation of evidence satisfactory to the Agency that no portion of the Land is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

(F) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST.

SECTION 6.4. ADDITIONAL PROVISIONS RESPECTING INSURANCE. (A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having a Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall name the Company as insured and the Agency as additional insured, as their interests may appear, and provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. The policy evidencing the

insurance required by Section 6.3(C) hereof shall name the Agency as an additional insured on a primary and noncontributory basis with any coverage held by the Agency, if any. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates and policies satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4 hereof. At least thirty (30) days prior to the expiration of any such policy, the Company shall furnish to the Agency evidence that the policy has been renewed or replaced, or is no longer required by this Lease Agreement.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 6.5. APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) the Net Proceeds of the insurance required by Section 6.3(C) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Section 6.3(B) and 6.3(C) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6. PAYMENTS IN LIEU OF REAL ESTATE TAXES. (A) It is recognized that under the provisions of the Act, the Agency is required to pay no taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is not the intention, however, of the parties hereto that the Project Facility be treated as exempt from real property taxation by reason of the Agency's leasehold interest therein. Accordingly, the parties hereto acknowledge that a payment in lieu of tax agreement will be executed with respect to the Project Facility, and a Real Property Tax Exemption Form will be filed by the Agency with respect to the Project Facility. Until the expiration date of any such payment in lieu of tax agreement, the Agency and the Company hereby agrees that the Company (or any subsequent user of the Project Facility pursuant to this Lease Agreement) shall be required to make or cause to be made payments in lieu of real estate taxes in the amounts and in the manner set forth in such payment in lieu of tax agreement.

(B) In the event that (1) the Project Facility would be subject to real property taxation if the Agency did not have a leasehold interest therein but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, and (2) the Payment in Lieu of Tax Agreement shall not have been entered into by the Agency and the Company, or if entered into the Payment in Lieu of Tax Agreement shall for any reason no longer be in effect, the Agency and the Company hereby agree that the Company, or any subsequent user of the Project Facility under this Lease Agreement, shall in such event be required to make or cause to be made payments in lieu of taxes to the school district or school districts, city, town, county, village and other political units wherein the Project Facility is located having taxing powers (such political units are

hereinafter collectively referred to as the “Taxing Entities”) in such amounts as would result from taxes being levied on the Project Facility by the Taxing Entities as if the Agency did not have a leasehold interest in Project Facility and the Project Facility were not deemed owned by or under the jurisdiction, control or supervision of the Agency, but with appropriate reductions similar to the tax exemptions and credits, if any, which would be afforded to the Company if it were the owner of the Project Facility and the Agency did not have a leasehold interest therein. It is agreed that the Agency, in cooperation with the Company, (a) shall cause the Project Facility to be valued for purposes of determining the amounts due hereunder as if the Agency did not have a leasehold interest in the Project Facility and the Project Facility was not deemed by or under the jurisdiction, control or supervision of the Agency as aforesaid by the appropriate officer or officers of any of the Taxing Entities as may from time to time be charged with responsibility for making such valuations, (b) shall cause to be appropriately applied to the valuation or valuations so determined the respective tax rate or rates of the Taxing Entities that would be applicable to the Project Facility if the Agency were not so involved, (c) shall cause the appropriate officer or officers of the Taxing Entities charged with the duty of levying and collecting such taxes to submit to the Company, when the respective levies are made for purposes of such taxes upon Property privately owned as aforesaid, statements specifying the amounts and due dates of such taxes which the Taxing Entities would receive in such Property were so privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, and (d) shall file with the appropriate officer or officers any accounts or tax returns furnished to the Agency by the Company for the purpose of such filing.

(C) The Company shall pay or cause to be paid to the Taxing Entities when due all such payments in lieu of taxes with respect to the Project Facility required by Section 6.6(B) of this Lease Agreement to be paid to the Taxing Entities, subject in each case to the Company’s right to (1) contest valuations of the Project Facility made for the purpose of determining such payments therefrom, and (2) seek to obtain a refund of any such payments made.

(D) Pursuant to Section 874(5) of the Act, if the Company shall fail to make or cause to be made any payments in lieu of taxes required under this Section 6.6, the Payment in Lieu of Tax Agreement and the Project Agreement, the amount or amounts so in default shall continue as an obligation of the Company until fully paid, and the Company hereby agrees to pay or cause to be paid the same, together with a late payment penalty equal to five percent (5%) of the amount due. If the Company shall fail to make any payment required by this Section 6.6, the Payment in Lieu of Tax Agreement and the Project Agreement when due and such delinquency shall continue beyond the first month, the Company’s obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) the Default Interest Rate, or (b) the same rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.

ARTICLE VII

DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1. DAMAGE OR DESTRUCTION. (A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is replaced, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a “project”, as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Agency’s leasehold interest in the Project Facility. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) the amount necessary to prepay the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to

prepay Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to prepay the Indebtedness in full.

(C) If all Indebtedness has been paid in full, all such Net Proceeds (or the balance thereof) shall be paid to the Company for its purpose.

(D) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) hereof.

SECTION 7.2. CONDEMNATION. (A) To the knowledge of the Company, no condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

- (1) the Agency shall have no obligation to restore the Project Facility;
- (2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement (whether or not the Project Facility is restored);
- (3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.2, (a) the Company shall promptly restore the Project Facility (excluding any part of the Land or the Improvements taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a “project” as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any Condemnation award relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award, if any, remaining on deposit with the Agency after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Agency's interest in the Project Facility. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to prepay all of the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to prepay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be prepaid in full.

(D) If all of the Indebtedness has been paid in full, all such Net Proceeds (or the balance thereof) shall be paid to the Company for its purposes.

(E) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(F) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company.

SECTION 7.3. ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein.

ARTICLE VIII

SPECIAL COVENANTS

SECTION 8.1. NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS". THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE PROJECT FACILITY OR ANY PART THEREOF OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company) or employees by any employee of the Company or any contractor of the

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3(C) of this Lease Agreement, its liabilities assumed pursuant to this Section 8.2.

(D) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

(E) Notwithstanding anything contained in this Lease Agreement to the contrary, whenever the Company is obligated under this Lease Agreement to indemnify and hold harmless the Agency, its directors, members, officers, agents (except the Company), or employees, the Company shall be given prompt notice of any matter that arises requiring indemnification, but failure to give such notice shall not constitute a defense hereunder nor in any way impair the obligations of the Company under this Section provided that such failure does not materially prejudice the Company in its ability to defend the Agency or materially impair the Company defense. The Company shall have the right to defend the Agency its directors, members, officers, agents (except the Company), and employees, and provided the Company promptly and continuously thereafter defends the Agency, its directors, members, officers, agents (except the Company), and employees, no other attorney's fees of the Agency its directors, members, officers, agents (except the Company), and employees shall be payable by the Company.

In any such defense of itself, the Agency shall select its own counsel, and any and all reasonable out-of-pocket costs of such defense, including, without limitation, reasonable attorney and disbursement fees, court costs, and litigation expenses shall be paid by the Company.

SECTION 8.3. RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times to enter upon and to examine and inspect the Project Facility. The Company further agrees that the Agency shall have such rights of access to the Project Facility as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder.

The Company agrees that, during the term of this Lease Agreement, it will maintain its existence, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or, merge into another entity, or permit one or more entities to consolidate with or merge into it.

SECTION 8.5. AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such information concerning the Company, its finances and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation. Without limiting the foregoing, the Company further agrees whenever requested by the Agency to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations, its employment and its affairs necessary to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act or the Public Authorities Accountability Act of 2005 and the Public Authorities Reform Act of 2009, as amended from time to time, or any other reports required by the New York State Authorities Budget Office or the Office of the State Comptroller or any of the Basic Documents. Such information shall be provided within thirty (30) days following written request from the Agency.

SECTION 8.6. BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES. (A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) As soon as possible after the end of each fiscal year of the Company, but in any event within thirty (30) days after such date, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto.

SECTION 8.7. COMPLIANCE WITH APPLICABLE LAWS. (A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease Agreement, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Basic Documents, (3) shall have set aside adequate reserves for any such requirement, and (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents, servants or employees may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8. DISCHARGE OF LIENS AND ENCUMBRANCES. The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency (other than Permitted Encumbrances) or on any funds of the Agency applicable to the Project Facility.

SECTION 8.9. PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith, and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 8.10. DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility that constitutes "Section 38 Property" and to all other State and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

SECTION 8.11. EMPLOYMENT OPPORTUNITIES. The Company covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Project Facility to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created by the federal job training partnership act (P.L. No. 97-300), as superseded by Workforce Innovation and Opportunity Act (P.L. No. 113-128) in which the Project Facility is located (collectively, the "Referral Agencies"). Such job opportunities required to be listed with the Agency shall include internships. The Company also agrees, and shall cause any and all sublessees, including but not limited to each Third Party Tenant, to agree, that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies. The Company also covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will list and will cause any and all sublessees, including but not limited to each Third Party Tenant, to list all available job openings and internships on the Agency's website for the duration of the term of this Lease Agreement.

SECTION 8.12. IDENTIFICATION OF THE EQUIPMENT. All Equipment that is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

SECTION 8.13. MORTGAGE. The Agency and the Company agree to grant a mortgage in the Project Facility to the extent financed with the proceeds of a loan to the lender of such loan (in which event the Lien thereby created shall be deemed a Permitted Encumbrance), if the mortgage is in a standard form and substance acceptable to the Agency in its sole and absolute discretion and pre-approved by the Agency (and the Agency agrees to not unreasonably withhold or delay its approval of such standard form mortgage) and if the mortgage contains the following provisions:

Section __. No Recourse Against Agency. The general credit of the Agency is not obligated or available for the payment of the loan or any amount due and owing under the loan or the mortgage. The lender will not look to the Agency or any principal, member, director, officer or employee of the Agency with respect to the indebtedness evidenced by this mortgage or the loan documentation or any covenant, stipulation, promise, agreement or obligation contained herein or therein. In enforcing its rights and remedies under this mortgage or the loan documentation, the lender will look solely to the collateral covered by the security interest granted by this mortgage and/or the Company for the payment of the indebtedness secured by this mortgage or the loan documentation and for the performance of the provisions hereof or thereof. The lender will not seek a deficiency or other money judgment against the Agency or any principal, member, director, officer or employee of the Agency (except the Company) and will not institute any separate action against the Agency by reason of any default that may occur in the performance of any of the terms and conditions of this mortgage or the loan documentation. This agreement on the part of the lender shall not be construed in any way so as to effect or impair the lien of this mortgage or the lender's right to foreclose or collect hereunder as provided by law or construed in any way so as to limit or restrict any of the rights or remedies of the lender in any foreclosure or collection proceedings or other enforcement of payment of the indebtedness secured hereby out of and from the security given therefor. All covenants, stipulations, promises, agreements and obligations are the Agency's and not of any member, director, officer, employee or agent (except the Company) of the Agency in his or her individual capacity, and no recourse shall be had for the payment of the principal of any debt or interest thereon or for any claim based thereon or hereunder against any member, director, officer, employee or agent (except the Company) of the Agency or any natural person executing this mortgage on behalf of the Agency. No covenant contained herein shall be deemed to constitute a debt of the State of New York or the Town of Colonie, New York and neither the State of New York nor the Town of Colonie, New York shall be liable on any covenant contained herein, nor shall any obligations hereunder be payable out of any funds of the Agency.

No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such reasonable fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company) or employees shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend and hold harmless the Agency and its members, officers, agents (other than the Company) and employees against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company) and employees against all liability expected to be incurred as a result of compliance with such request.

Section _____. Hold Harmless Provisions. (a) The Company agrees that the Agency, its directors, members, officers, agents (except the Company) and employees shall not be liable for and agrees to defend, indemnify, release and hold the Agency, its directors, members, officers, agents (except the Company) and employees harmless from and against any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Project Facility or arising by reason of or in connection with the use thereof or under this mortgage or any of the loan documentation, or (ii) liability arising from or expense incurred by the Agency's acquisition, installation, owning, leasing or financing of the Project Facility, including without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its covenants contained herein or under any of the loan documentation and all causes of action and reasonable attorneys' fees (whether by reason of third party claims or by reason of the enforcement of any provision of the mortgage (including, without limitation, this Section)) and any other expenses incurred in defending any claims, suits or actions which may arise as a result of the foregoing, provided that any such losses, damages, liabilities or expenses of the Agency are not incurred or do not result from the gross negligence or intentional or willful wrongdoing of the Agency or any of its directors, members, officers, agents (except the Company) or employees. The foregoing indemnities shall apply irrespective of the breach of a statutory obligation on the part of the Agency, or any of its members, directors, officers, agents, or employees or the

application of any rule of comparative or apportioned liability. The foregoing indemnities are limited only to the extent of any prohibitions imposed by law, and upon the application of such prohibition by the final judgment or decision of a competent court of law, the remaining provisions of these indemnities shall remain in full force and effect.

(b) Notwithstanding any other provisions of this mortgage, the obligations of the Company pursuant to this Section ___ shall remain in full force and effect after the satisfaction of this mortgage until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all reasonable expenses and charges incurred by the Agency, or its respective members, directors, officers, agents (except the Company) and employees, relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the Agency or its members, directors, officers, agents (except the Company) or employees by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit act.

(d) Notwithstanding anything contained in this mortgage to the contrary, whenever the Company is obligated under this mortgage to indemnify and hold harmless the Agency, its directors, members, officers, agents (except the Company), or employees, the Company shall be given prompt notice of any matter that arises requiring indemnification, but failure to give such notice shall not constitute a defense hereunder nor in any way impair the obligations of the Company under this Section provided that such failure does not materially prejudice the Company in its ability to defend the Agency or materially impair the Company's defense. The Company shall have the right to defend the Agency, its directors, members, officers, agents (except the Company), and employees, and provided the Company promptly and continuously thereafter defends the Agency, its directors, members, officers, agents (except the Company), and employees, no other attorneys' fees of the Agency, its directors, members, officers, agents (except the Company), and employees shall be payable by the Company.

(e) Notwithstanding the provisions of subsection (d) hereof, the Agency retains the right to defend itself in any action or actions covered by the indemnities in this mortgage, which in the reasonable opinion of the Agency, its directors, members, officers, agents (except the Company), or employees, independent counsel is necessary to protect the interests of the Agency due to the failure or inability of the Company to defend the Agency consistent with contemporary legal standards. In any such defense of itself, the Agency shall select its own counsel, and any and all

reasonable out-of-pocket costs of such defense, including, without limitation, attorney and disbursement fees, court costs, and litigation expenses shall be paid by the Company.

Section _____. Recordation of Mortgage. The Agency covenants that it will record or cause this mortgage to be duly recorded in all offices where recordation thereof is necessary.

Section _____. Termination of Lease Agreement. Upon the termination of the Lease Agreement for any reason whatsoever, and at the sole cost and expense of the Company, the lender shall prepare, execute and deliver to the Agency and the Company, and the Agency and the Company shall execute, any documents necessary to amend this mortgage to remove the Agency as a party hereto.

SECTION 8.14. FINANCING AND REFINANCING OF THE PROJECT FACILITY. Over the term of this Lease Agreement, the Agency, with prior approval of the Agency, agrees to reasonably cooperate with the Company in connection with any refinancing of the indebtedness encumbering the Project Facility. In connection with any refinancing by the Company of such indebtedness, the Agency will execute and deliver all such documents and/or instruments reasonably required by the Company's lender in connection with such refinancing, provided that such documents or instruments are those to which the Agency is typically a party; and further provided, that such documents or instruments include the Agency's standard non-recourse/special obligation language that is contained in Section 8.13, and further subject to the approval of the Agency and the Agency's legal counsel as to form and content of the document. In all cases any mortgage executed in accordance with this Section 8.14 shall be subordinate to the PILOT Mortgage. In all cases the Company shall pay any reasonable out-of-pocket expenses and fees of the Agency in connection with any refinancing of the Loan including, without limitation, any Agency administrative fee and any reasonable attorney's fees.

ARTICLE IX

ASSIGNMENTS; MERGER OF THE AGENCY; SALE OR LEASE

SECTION 9.1. ASSIGNMENT OF THIS LEASE AGREEMENT. Except as otherwise provided in Section 8.4 hereof, this Lease Agreement may not be assigned by the Company, in whole or in part, without the prior written consent of the Agency.

SECTION 9.2. MERGER OF THE AGENCY. (A) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or political subdivision thereof that has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease Agreement shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3. SALE OR LEASE OF THE PROJECT FACILITY. (A) The Company may not sell, lease, transfer, convey or otherwise dispose of the Project Facility or any part thereof without the prior written consent of the Agency.

(B) Notwithstanding Section 9.3(A), the Company may sublease a portion of the Project Facility to a Third Party Tenant: (1) subject to the prior written consent of the Executive Director of the Agency, which consent shall not be unreasonably withheld or delayed, but which consent shall be subject to all requirements of the Act, including but not limited to that such sublease to the Third-Party Tenant shall not cause the Project Facility to be in violation of Section 862(2)(a) of the Act and such sublease shall not cause any portion of the Project Facility to be occupied by a sublessee in violation of Section 862(1) of the Act, except that (2) in the event that the Agency must make a determination pursuant to Section 862(1) of the Act, such Third-Party Tenant shall be subject to the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed, subject to a determination that such sublease shall not cause any portion of the Project Facility to be occupied by a sublessee in violation of Section 862(1) of the Act and otherwise subject to all requirements of the Act (all of the foregoing, collectively, the "Prior Tenant Approvals"); and (3) which consent as required by (1) or (2) hereof may be fully and effectively given by the execution and delivery of a Tenant Agency Compliance Agreement by an Authorized Representative of the Agency in substantially the form attached hereto as Exhibit F by an Authorized Representative of the Agency. None of the foregoing subleases described in this paragraph (B) shall relieve the Company from primary liability for any of its obligations hereunder and neither the validity nor the enforceability of this Lease Agreement shall be adversely

affected thereby. The Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such sublease. The Project Facility shall continue to constitute a “project” as such quoted term is defined in the Act, and, without limiting the generality of the foregoing, no sublease shall cause any portion of the Project Facility to be used in violation of Section 862(2)(a) of the Act and no sublease shall cause any portion of the Project Facility to be occupied by a sublessee in violation of Section 862(1) of the Act.

(C) Notwithstanding anything to the contrary contained in this Lease Agreement, in any instance after the Completion Date where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with similar items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Basic Documents. The Company shall pay all costs and expenses (including attorney fees) incurred in transferring title to and releasing from the Liens of the Basic Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1. EVENTS OF DEFAULT DEFINED. (A) The following shall be “Events of Default” under this Lease Agreement, and the terms “Event of Default” or “default” shall mean, whenever they are used in this Lease Agreement, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of the amounts specified to be paid pursuant to subsection (B) of Section 5.3 hereof.

(2) A default by the Company in the due and punctual payment of the amounts specified to be paid pursuant to Section 5.3 (other than subsection (B)) or Section 6.6 hereof, and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company.

(3) A default in the performance or observance of any other of the covenants, conditions or agreements on the part of the Company in this Lease Agreement and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, provided that, if such default is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the same with due diligence.

(4) The occurrence of an “Event of Default” under any other Basic Document.

(5) The failure by the Company to pay or cause to be paid, on the dates due, the amounts specified to be paid pursuant to the Payment in Lieu of Tax Agreement, which is not cured within thirty (30) days after written notice.

(6) The invalidity, illegality or unenforceability of the Payment in Lieu of Tax Agreement, or the failure due to an action or inaction on the part of the Company to observe and perform any material covenant contained in the Payment in Lieu of Tax Agreement and such failure to observe and perform any material covenant shall continue for a period of ten (10) days after receipt by the Company of notice of default.

(7) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(8) The Company shall conceal, remove or permit to be concealed or removed any of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof.

(9) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute, (b) the failure by the Company within sixty (60) days to lift any execution, garnishment or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder, (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of sixty (60) days, (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company, or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within sixty (60) days of such appointment.

(10) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance.

(11) The removal of the Project Facility, or any portion thereof, outside the Town of Colonie, New York, without the prior written consent of the Agency, other than in connection with a removal under Section 9.3(C) hereof.

(B) Notwithstanding the provisions of Section 10.1(A) hereof, if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party and to the Agency within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease Agreement of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required by Sections 4.1(H), 5.3, 6.2 and 6.6 hereof, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 3.3 and 8.2 hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including but not limited to acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, orders of any kind of any Governmental Authority or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, partial or entire failure of utilities, or any other cause or event not reasonably within the control of the party claiming such inability. It is agreed that the settlement of strikes, lockouts and other

industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout or other industrial disturbances by acceding to the demands of the opposing party or parties.

SECTION 10.2. REMEDIES ON DEFAULT. (A) Whenever any Event of Default hereunder shall have occurred, the Agency may, to the extent permitted by law, take any one or more of the following remedial steps:

(1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Lease Agreement or any of the other Basic Documents; or

(2) re-enter and take possession of the Project Facility, enforce or terminate this Lease Agreement, sell its interest in the Project Facility, subject to Permitted Encumbrances, at public or private sale, as a whole or piecemeal, for such consideration as may be deemed appropriate in the circumstances, and hold the Company liable for the amount, if any, by which the aggregate unpaid amounts due hereunder exceed the Net Proceeds received upon such sale, or manage and operate the Project Facility, collect all or any rents accruing therefrom, let or relet the Project Facility or any part thereof for the Agency's own account or the account of the Company, holding the Company liable for payments due up to the effective date of such leasing and for the difference in the rent and other amounts paid by the lessee pursuant to such lease and the rental payments and other amounts payable by the Company hereunder, cancel or modify leases, evict tenants, bring or defend any suits in connection with the possession of the Project Facility in its own name or in the Company's name, make repairs as the Agency deems appropriate, and perform such other acts in connection with the management and operation of the Project Facility as the Agency, in its discretion, may deem proper; or

(3) terminate this Lease Agreement and convey to the Company all the Agency's title and interest in and to the Project Facility (the conveyance of the Agency's title and interest in and to the Project Facility shall be effected by the recording by the Agency of the Assignment to Company and the Bill of Sale to Company; the Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such transfer of title); or

(4) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Lease Agreement.

(B) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by this Lease Agreement and the other Basic Documents.

SECTION 10.3. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4. AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreement on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred, whether an action is commenced or not.

SECTION 10.5. NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI

OPTIONS AND OBLIGATION TO PURCHASE

SECTION 11.1. EARLY TERMINATION OF THIS LEASE AGREEMENT. The Company shall have the option to terminate this Lease Agreement prior to the termination date specified in Section 5.2 hereof by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1 and the payment of all amounts due pursuant to the terms of this Lease Agreement and the Payment in Lieu of Tax Agreement.

SECTION 11.2. OBLIGATION TO SELL AND PURCHASE THE PROJECT FACILITY. Contemporaneously with the termination of this Lease Agreement in accordance with Section 5.2 or Section 11.1 hereof, the Agency shall sell and the Company shall purchase all the Agency's right, title and interest in and to the Project Facility for a purchase price equal to the sum of One Dollar (\$1.00), plus payment of all sums due and payable to the Agency and Agency Counsel pursuant to this Lease Agreement and the other Basic Documents. The obligation of the Agency under this Section 11.2 to convey the Project Facility to the Company will be subject to there being no Event of Default existing hereunder or under the Payment in Lieu of Tax Agreement or under any other Basic Document, or any other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default.

SECTION 11.3. CONVEYANCE ON PURCHASE OF THE PROJECT FACILITY. (A) At the closing of any purchase of the Agency's interest in the Project Facility pursuant to Section 11.2 hereof, the Agency shall, upon the satisfaction of the conditions set forth in Section 11.1 and Section 11.2 hereof, as appropriate, deliver to the Company all necessary documents (1) to convey to the Company all the Agency's right, title and interest in and to the Property being purchased, as such property then exists, subject only to the following: (a) any Liens or title defects to which title to such Property was subject when conveyed to the Agency, (b) any Liens created by or at the request of the Company or to the creation of which the Company consented, (c) any Permitted Encumbrances, and (d) any Liens resulting from the failure of the Company to perform or observe any of the agreements on its part contained in this Lease Agreement or arising out of an Event of Default; and (2) to release and convey to the Company all of the Agency's rights and interest in and to any rights of action or any net proceeds of insurance settlements or Condemnation awards with respect to the Project Facility (but not including amounts relating to the Unassigned Rights).

(B) The sale and conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency to the Company of the Assignment to Company (an unexecuted copy of which is attached hereto as Exhibit C and by this reference made a part hereof). The sale and conveyance of the Agency's right, title and interest in and to the Equipment shall be effected by the execution and delivery by the Agency to the Company of the Bill of Sale to Company (an unexecuted copy of which is attached hereto as Exhibit D and by this reference made a part hereof). The termination of this Lease Agreement shall be effected by the execution and delivery of the Company and the Agency of the Termination of Lease Agreement (an unexecuted copy of which is attached hereto as Exhibit E and by this reference made a part hereof). The Company hereby agrees to pay all expenses and taxes, if any,

applicable to or arising from such transfers of leasehold interest or title. Section 3.5 Compliance with Orders, Ordinances, Etc.

(a) The Tenant, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee of the Tenant or occupant of the Demised Premises which is occupying the Demised Premises by permission of the Tenant to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Project Facility or the Demised Premises, or to the acquisition, construction and equipping of the Demised Premises, or to any use, manner of use or condition of the Project Facility or any part of the Demised Premises, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers having jurisdiction of the Project Facility or any part thereof, and companies or associations insuring the premises.

(b) The Tenant shall keep or cause the Demised Premises to be kept free of Hazardous Substances. Without limiting the foregoing, the Tenant shall not cause or permit the Demised Premises to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Substances, except in compliance with all applicable federal, state and local laws or regulations, nor shall the Tenant cause or permit, as a result of any intentional or unintentional act or omission on the part of the Tenant or any of its contractors, subcontractors or tenants, a release of Hazardous Substances onto the Project Facility or onto any other property. The Tenant shall comply with, and ensure compliance by all of its contractors, subcontractors and subtenants with, all applicable federal, state and local environmental laws, ordinances, rules and regulations, whenever and by whomever triggered, and shall obtain and comply with, and ensure that all of its contractors, subcontractors and subtenants obtain and comply with, any and all approvals, registrations or permits required thereunder. The Tenant shall (i) conduct and complete all investigations, studies, sampling and testing and all remedial, removal and other actions necessary to clean up and remove all Hazardous Substances released, stored, generated or used by it on, from or affecting the Demised Premises (A) in accordance with all applicable federal, state and local laws, ordinances, rules, regulations and policies, (B) to the satisfaction of the Agency, and (C) in accordance with the orders and directives of all federal, state and local governmental authorities; and (ii) defend, indemnify and hold harmless the Agency, its employees, agents, officers, members and directors, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to (A) the presence, disposal, release or threatened release of any Hazardous Substances which are on, from or affecting the soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (B) any bodily injury, personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Substances, (C) any lawsuit brought or threatened, settlement reached, or government order relating to such Hazardous Substances, or (D) any violation of laws, orders, regulations, requirements or demands of government authorities, or of any policies or requirements of the Agency, which are based upon or in any way related to such Hazardous Substances, and in all cases which result from the intentional or unintentional act or omission of the Tenant or any of its contractors, subcontractors or subtenants, including, without limitation, reasonable attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. The provisions of this Section shall be in addition to any and all other

obligations and liabilities the Tenant may have to the Agency at common law and shall survive the transactions contemplated herein.

(c) Notwithstanding the provisions of subsections (a) and (b) above, the Tenant may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Tenant may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Tenant that, by failure to comply with such requirement or requirements, the Project Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Tenant shall promptly take such action with respect thereto or provide such security as shall be reasonably satisfactory to the Agency. If at any time the then existing use or occupancy of the Demised Premises shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Tenant shall use reasonable efforts not to cause or permit such use or occupancy by the Tenant to be discontinued without the prior written consent of the Agency, which consent shall not be unreasonably withheld.

(d) Notwithstanding the provisions of this Section, if, because of a breach or violation of the provisions of subsection (a) or (b) above (without giving effect to subsection (c)), the Agency or any of its members, directors, officers, agents or employees shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Tenant shall immediately provide legal protection or pay an amount or post a bond in an amount necessary, in the opinion of the Agency and of its members, directors, officers, agents and employees, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(e) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, reasonable attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses, shall be paid by the Tenant.

Section 3.6 Agreement to Provide Information. Annually, the Tenant shall provide the Company (with the expectation that the information will be used to report to the Agency for the Project) (or to the Agency upon the Agency's written request) with a certified statement and documentation (i) enumerating the FTE jobs, by category, retained and/or created at the Project Facility as a result of the Agency's financial assistance and (ii) indicating the fringe benefits and salary averages or ranges for such categories of FTE jobs created and/or retained. The Tenant further agrees to provide and certify or cause to be provided and certified whenever requested by the Agency any other information concerning the Tenant, its respective finances, its respective operations, its respective employment and its affairs necessary to enable the Agency to make any report required by law, governmental regulation, including, without limitation, any reports required by the Act, the Public Authorities Accountability Act of 2005, or the Public Authorities Reform Act of 2009, each as amended from time to time, or any other reports required by the New York State Authorities Budget Office or the Office of the State Comptroller, or any of the Agency Documents or Tenant Documents. Such information shall be provided within thirty (30) days following written request from the Agency.

Section 3.7 Employment Opportunities; Notice of Jobs. The Tenant covenants and agrees that, in consideration of the participation of the Agency in the transactions contemplated herein, it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, cause any new employment opportunities created in connection with the Demised Premises to be listed with the New York State Department of Labor, Community Services Division and with the administrative entity of the service delivery area created pursuant to the Job Training Partnership Act (PL 97-300), as superseded by Workforce Innovation and Opportunity Act (PL 113-128), in which the Project Facility is located (collectively, the “Referral Agencies”). The Tenant also agrees that it will, except as otherwise provided by collective bargaining contracts or agreements to which it is a party, first consider for such new employment opportunities persons eligible to participate in federal job training partnership programs who shall be referred by the Referral Agencies.

Section 3.8 Subleasing.

(a) In accordance with Section 862(1) of the Act, the Demised Premises shall not be occupied by a sublessee whose tenancy would result in the removal of a facility or plant of the proposed sublessee from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such sublessee located within the State; provided, however, that neither restriction shall apply if the Agency shall determine:

- (i) that such occupation of the Demised Premises is reasonably necessary to discourage the proposed sublessee from removing such other plant or facility to a location outside the State, or
- (ii) that such occupation of the Demised Premises is reasonably necessary to preserve the competitive position of the proposed sublessee in its respective industry.

(b) The Tenant may not assign the Tenant Lease Agreement or sub-sublease the Demised Premises without the prior written consent of the Agency. Any assignment or sub-sublease shall conform with the restrictions and requirements set forth in Section 9.3 of the Lease Agreement.

Section 3.9 Definitions. All capitalized terms used in this Tenant Agency Compliance Agreement and not otherwise defined herein shall have the meanings assigned thereto in the Lease Agreement.

Section 3.10 Execution of Counterparts. This Tenant Agency Compliance Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the Agency and the Tenant have caused this Tenant Agency Compliance Agreement to be executed in their respective names by their duly authorized representatives, all as of _____, 20__.
